

Pleasant Ridge Banners

We are writing with an update on the Pleasant Ridge Banner Project. As you may recall, in the Spring we initiated a fund-raising invitation in order to bring back fantastic boulevard banners to our neighborhood. The response was excellent. Thank you very much to all who donated to the Pleasant Ridge Banner Fund. Contributions total around \$1,600. That should be enough to provide for about seven to eight banners. We hope to have about fifteen by the time the project is completed.

A couple of weeks ago Pleasant Ridge Community Council secured insurance in order to begin the project. This was significant hurdle which had really slowed things down. We are finally ready to move ahead. We hope to have banners hanging by Thanksgiving. See below for the banner template. For those who still want to support the effort, please send contributions to the following address, and note that your contribution may be tax-deductible:

"Pleasant Ridge Banner Fund"
c/o Pleasant Ridge Community Council
PO Box 128705
Cincinnati, OH 45212

To those who have already contributed: again, *THANK YOU!!* We haven't forgotten about your contribution; we have been waiting to send out formal thank you notices until the first banner is hung.

In the meantime, we hope to see everyone at Ridge Day this Saturday!

Peace,
Beau McGrath: President, Pleasant Ridge Community Council
David Mill: Banner designer
Matt Kemper: Banner project coordinator
