Dear Pleasant Ridge Beautification committee.

My name is Mickey Fuller and I'm 12 years old. How are you doing?

One suggestion I have is to plant more flowers. The reason I would like

you to add more flowers because they make everything look homey.

Another reason is they feel welcoming.

Another suggestion is to add parks in the area if you could. One

thing I love about living over here is it's very calm over

here. I hope that you take

some of my suggestions.

Dear Pleasant Ridge Beautiful  
Committee,

I'm Lou from PRM and I'm  
I don't live in Pleasant Ridge.  
When I drive by I love the  
lights and color. It reminds me  
of a high tech video game. What  
I think you should add to make  
more beautiful is add a pond.  
Something else I think you sh  
add is more benches because I  
homeless people sleep on this one  
bench. and the others sleep on con  
It's not fair for them so that's  
Thank you for making our city look  
good.

Sincerely Lou ★

DEAR Pleasant Ridge Beautification

Committee,

My name is Andrew Bahorik.

My age is 11 and I go to P.R.M.

I think that it is nice to use my scooter, bike or walk to my friends house.

I think a way to make Pleasant Ridge more beautiful is to add more greenery. by greenery I mean plants and flowers.

I also think that the cracks in code

be fixed in the sidewalk.

Also would like street lights so people can walk later and they look nice.

Love,

Andrew

Dear Pleasant Ridge Beautification  
Committee,

My name is Leona and I am one  
of the fourth graders who go to

RRM. I am here to tell you,  
one thing I love about living in  
Pleasant Ridge, and to give you two  
suggestions for making Pleasant Ridge  
more beautiful. To begin with I love how

Pleasant Ridge has a line of shops that  
reminds me of Disneyland. Two things I  
suggest is to add more lights in dark  
gloomy, did I already say dark? Well in

dark and gloomy areas. You could also  
add more flowers in the dark and gloomy  
areas. Well I hope you have an amazing  
day!

Leona

Dear Pleasant Ridge Beautification Committee,

My name is Edmond Webb. I am eleven years old and in the 4th grade. The school that I go to is Pleasant Ridge Montessori. One thing that I like about Pleasant Ridge is all of the shops and places to eat. I also like how it is all walkable. A suggestion that I have to make Pleasant Ridge better is to put in an Indian restaurant in the new building across the street from D.R.M. Maybe even a little store, also. My other suggestion is try to not make the new building look like a hotel. The reason is because I want it to match the neighborhood.

a bigger park and more fun activities  
on the weekends for kids.

Dear Pleasant Ridge Beautification Committee,

My name is Teil (sounds like teal) anyway. I'm 10 years old and I go to the amazing school of Pleasant Ridge Montessori. One thing I love about living in Pleasant Ridge is we have a great soccer team (at my school) and it's just so fun. Two suggestions I have are: 1. I have been seeing many empty buildings and think it would be nice if people could live there or work there. 2. I also think in Pleasant Ridge we could use more trees. Thank you for making our neighborhood so special and for listening to my letter.

Dear Pleasant ridge beautification  
Committee. My name is London  
I'm 11 year old. here are some  
ways that you can make Pleasant  
ridge more beautiful. I would  
add more flower and plants to  
the neighbor hood. I think you should  
build some small stores. In the  
summer time you should recruit  
some kid to do small jobs we can water  
some plants. we should do black  
party for the whole neighbor  
hood.

Dear, Pleasant Ridge Beautification  
Committee

Hi! I'm Charlie now just to make it  
clear... I'm not a boy! I'm 9  $\frac{3}{4}$  and  
I'm a student at PRM. I love living in  
Pleasant Ridge. I love how there's so many  
trees and there's (usually) no trash in the  
park. I also love how the park was recently  
painted. Now I was told to put two suggestions  
on how to make Pleasant Ridge more beautiful,  
but I think Pleasant Ridge is already pretty pleasant! (get it, pleasant)

OR any way I'm just going to do it so  
I don't get in to trouble with my teacher.  
1. I want to change that "usually" in  
the fifth line to an "always" so I really  
just want there to be no more trash of  
stuff like that in the park.

2. I kind of want more people to live in Pleasant Ridge  
so you could put some signs up or something.  
Ok that's all the requirements my teacher  
wanted on this so bye! (maybe I can write another  
letter to you)

love,  
Charlie

Dear Pleasant Ridge Beautification Committee,

My name is Peter, im in 4th grade, and I am a student at PRM. Something I love about living in Pleasant Ridge is how close everything is to my house. I can just open my door and take a little walk to the library whenever. Two things you could do to make Pleasant Ridge more beautiful are... 1. planting more trees in empty patches of grass where there aren't many trees. 2. Fix up empty run-down buildings with no good reason to star there. Thanks for all you've done for Pleasant Ridge!

Signed,  
Peter

Dear PRBC,

Hello, my name is Oliver S. I am 12 and I'm a student from PRM. One thing I love about Pleasantridge is PRC. I have been eating there since when I was 5. One thing you should do is a light show for Christmas. Another thing you should do is do an event about Pleasantridge's history. It should be at the Cincinnati Museum. It would be really cool if you do. But thank you for reading my letter.
